

From Linda Harrison: We changed the due date for your 30's charm square project to the March meetings (not January) to give people more time during the holidays. Also for those of you participating in the bright and bold charm square exchange: Both the December and January squares should be brought to the January meetings plus any squares you missed in October or November. If you have questions about whether you missed a month please e-mail or call Linda (appalachianlinda@hotmail.com or 524-6950

Please remember that it is a 6.5 inch square of quality, prewashed fabric, accurately measured and with the selvages removed.

Colors are-
Oct- turquoise
Nov- gold
Dec- brown
Jan- Pink
Feb- Purple
Mar- Green

Thanks,
Linda Harrison
