

## North Carolina Quilt Symposium 2012

Smoky Mountain Quilters Guild, Inc. will host the NCQSI 2012 symposium on June 7-10. The symposium is a yearly 4-day event that includes workshops with well-known quilt instructors, lectures, vendors, a quilt show, and lots of fun activities. It will be held at Western Carolina University and is the first time the symposium has been held this far west in the state. The guild's 30<sup>th</sup> anniversary will also be in 2012, so we are particularly excited to be celebrating with a symposium. The theme of the 2012 Symposium is "Stars over the Smokies." If you would like to volunteer to help with this event, please contact Cindy Williams or Nancilee Dills. As we get farther along in the planning, we will post it to our website and in the newsletter. We look forward to your participation in this event.
