February 2016 Quilt Show Boutique Challenge

Just in time for SUPERBOWL SUNDAY! Nuke those nachos and serve 'em up in a comfy cozy! Check out this one made up in terrific football fabric! Why not grab your favorite novelty or holiday fabric and head for the end zone!

The Boutique Challenge Project for this month is to create a Microwave Bowl Cozy...or a dozen! According to all reviews, these FLY off the shelves at boutiques and craft fairs and are so easy to make!

These are also great for serving bowls of ice cream!

PDF Patterns and illustrated, detailed instructions are attached:

- Microwave Bowl Potholders - Customize your size!
(Shown below)
- Mass Produce Microwave Bowl Potholders (Shown above)

Please note! Do not use anything except 100% cotton ... cotton fabric, cotton batting and cotton thread. Polyester is apt to melt and even possibly create a fire if used in the microwave oven! These are designed for warming only, NOT long term cooking in the microwave.

Thanks for your help making the 2016 SMQG Quilt Show Boutique a tremendous success!
