

## **SILENT AUCTION QUILTS 2020**

Size needs to be 100 inches or smaller in perimeter. This is the measurement around the outside (no more than 25 inches per side if the quilt is square).

The quilt may be any shape (square, round, triangle, rectangle, etc.).

Small panels will be accepted. Items other than quilts will be considered, but we have found that these items may be more appropriate for the boutique.

Quilts may be framed and/or embellished as needed.

Any quilting method is acceptable.

Hanging sleeves are encouraged if the quilt is larger. This is a nice touch for the new owner's wall hanging.

Donations may be turned in at any time to Pat Buckner. 828-507-4200.

**\*\*Remember!** For the 2020 Quilt Show, there will be free Featherweight raffle tickets awarded for each little Silent Auction quilt you donate. Get started and get'er done, folks!
