- ❖ You will need to pre-cut at least:
- (4) 10-inch squares of background fabric (solid color)
  - (4) 2 ¾-inch color squares (your preference)
- ❖ Just to give you an idea of how much fabric you will need for a table runner:
- You can get (12) 10-inch squares in the average yard of fabric
  - It will take (32) 10-inch squares of background fabric and (32) 2 ¾ inch squares of colored fabric for a table runner
- ❖ In class, we will discuss the different sizes of squares and projects you can make using the Cathedral Window Squares.
